

NATIONAL MOUNTAIN BIKE LEADER AWARD SCHEME

VENUE INFORMATION

One Planet Adventure, Coed Llandela, Denbighshire, North Wales

One Planet Adventure have taken forest based mountain biking in North Wales and turned it on its head. Based in Coed Llandegla, they have set up a series of excellent built trails within a very accessible environment. Of course, CTC courses here are not limited to the forest and we make the very best of the wide-ranging legal riding available outside of the forest and within the superb Clywds area too.

To support the biking elements, One Planet have a well-equipped classroom, an extensive bike shop, and high quality cafe producing great food from local sources.

Most courses at One Planet are during the week, suiting those both attending as part of work, or who are busy during weekends. This also means that the forest areas are (a little) quieter than the very busy weekend periods. [More about One Planet Adventure.....](#)

Accommodation:

Courses at One Planet are non-residential enabling you to choose from the wide range of local accommodation. Please see ridetheclwyds.com for details. Throughout the course, the café will be providing food. In fact the food here is so acclaimed, their bacon buttie won best in the UK by the BMW Good Food Ride, as well as achieving the best breakfast in Wales and one of the 50 best places to eat in the UK by The Times.

Location:

One Planet Adventure is based at Coed Llandegla. Although based in North Wales, One Planet Adventure is equally accessible from North West England and the West Midlands, being only 15 minutes drive from Wrexham.

What is included at a One Planet Adventure course?

- Your course, oriented around your needs
- Combined training and assessment against the National Criteria
- Registration, certification and extensive course documentation
- Skilled, experienced, friendly tutors working at high staffing ratios
- Access to the great café, bike shop and bike hire, if required (at own cost)
- Superb Coed Llandegla and Clwyds mountain biking

CTC Support:

CTC are the UK's largest cycling organisation and provide the widest range of cycling education. Capitalising on twelve years of the most recognised Mountain Bike Leader qualifications (originally from OTC Training), CTC provides extensive support services including insurance, access rights, advice, activity provision and progressive learning and continuous professional development opportunities.

No further costs: Once you have completed this course, there are no further costs, annual registration or other fee required to hold your existing Leader status. Continuous professional development opportunities (at additional cost) occur regularly.
