

NATIONAL MOUNTAIN BIKE LEADER AWARD SCHEME

VENUE INFORMATION

Staylitttle Outdoor Centre, Staylitttle, Llandiloes, Mid Wales

Staylitttle is one of Powys' outdoor education centres providing learning and development activities for young people and outdoor skill and opportunities for adults. Recently built, the centre houses all the facilities you might need during the course in comfort, with stunning scenery on the ride sections of the course in the mid Wales mountains.

[More about Staylitttle.....](#)

Accommodation:

Staylitttle provides shared room accommodation and food and a half board basis. This includes a cereal and toast breakfast and a packed lunch. During the evenings, you are welcome to cook your own food at the centre or join us at the pub for a meal (at your own cost).

Location:

In the very centre of Wales, Staylitttle Outdoor Centre is accessible from all directions within Wales as well as from the English north west, west midlands and the M4 corridor. Staylitttle is a village at the head of the Llyn Clywedog Reservoir. Riding is based in the Hafron Forest (the largest in Wales) and on the old drovers tracks and rights of way in the surrounding mountains.

What is included at a Staylitttle Outdoor Centre course?

- Your course, oriented around your needs
- Combined training and assessment against the National Criteria
- Registration, certification and extensive course documentation
- Skilled, experienced, friendly tutors working at high staffing ratios
- Half board accommodation, including bed, breakfast and packed lunch.
- Great trails in the mid Wales mountains

CTC Support:

CTC are the UK's largest cycling organisation and provide the widest range of cycling education. Capitalising on twelve years of the most recognised Mountain Bike Leader qualifications (originally from OTC Training), CTC provides extensive support services including insurance, access rights, advice, activity provision and progressive learning and continuous professional development opportunities.

No further costs: Once you have completed this course, there are no further costs, annual registration or other fee required to hold your existing Leader status. Continuous professional development opportunities (at additional cost) occur regularly.
